Hi Def Cameras and Hi Def VTR's from Sony Broadcast, JVC Professional, Panasonic Broadcast and Effect Technology to name but a few. If you are in the UK you can find Sony Broadcast equipment that has the Silver Support package included supplied by reputable broadcast dealers and broadcast resellers. Suite C Sylmar, California V F Model No. Added DNF Controls Limited Warranty Rev Added Timecode select function. 2. DESCRIPTION The ST200 UNIVERSAL Controller provides low cost control over a wide range of RS422 VTR and DDR formats and brands in your facility. Simple and easy to use. No complicated menus to search through. All the functions you need at the press of a button. Eliminates the need for multiple remote controllers and the associated clutter of several pieces of control hardware. Can be easily customized for your specific needs. Customize the ST200 with the transport control functions and status indicators you require for your specific applications. Can be used through your facility's existing RS422 Control router, RS422 patchbay or 9pin switch box. a. TIME CODE DISPLAY Display timecode or CTL Tape Timer per the mode selector switch on the front panel of the VTR. Plug the other end of the cable into the 9pin remote connector on the VTR. b. Plug the 9pin female connector, of the Universal Power Supply, into the POWER connector on the rear of the ST200.

NOTE for AMPEX 1inch and D2 VTRs, set VTR ID to Installation is complete. 5 ST200S 6 5. OPERATION Select the desired transport function by pressing the appropriate key on the front of the ST200. The RealTime Status Indicators will light to indicate the VTRs current tape transport mode. For example Pressing PLAY will put the VTR into the PLAY mode. The PLAY Status Indicator will light when the VTR is in PLAY mode. Loss of serial communication with the VTR is indicated by ALL status LEDs turned ON. NOTE The transport control functions are inoperative while the Numeric Keypad is turned on. The status indicators will turn off and the transport will remain in the last selected mode. Press the desired number key to enter a number. The entered number will be displayed in the current time location. The cursor will move one location to the left with each entry. Press DEL to move the cursor one location to the right. The cursor is placed at the far right and the Numeric Keypad is turned on. The entered number will be displayed at the cursor. Set the DIP Switches per the following Record Selector Switches table. The current record mode will be displayed. Limit each Tally Output current to 40ma. In order to enforce the rights under this warranty, the customer must first contact DNF's Customer Support Department to afford the

opportunity of identifying and fixing the problem without sending the unit in for repair. If DNF's Customer Support Department cannot fix the problem, the customer will be issued a Returned Merchandise Authorization number RMA. The customer will then ship the defective product prepaid to DNF Controls with the RMA number clearly indicated on the customer's shipping document. The merchandise is to be shipped to DNF Controls Foothill Blvd., Suite C Sylmar, CA USA Failure to obtain a proper RMA number prior to returning the product may result in the return not being accepted, or in a charge for the required repair.

DNF Controls, at its option, will repair or replace the defective unit. DNF Controls will return the unit prepaid to the customer. The method of shipment is at the discretion of DNF Controls, principally UPS Ground for shipments within the United States of America. Shipments to international customers will be sent via air. Should a customer require the product to be returned in a more expeditious manner, the return shipment will be billed to their freight account. This warranty will be considered null and void if accident, misuse, abuse, improper line voltage, fire, water, lightning or other acts of God damaged the product. All repair parts are to be supplied by DNF Controls, either directly or through its authorized dealer network. Similarly, any repair work not performed by either DNF Controls or its authorized dealer may void the warranty. After the warranty period has expired, DNF Controls offers repair services at prices listed in the DNF Controls Price List. DNF Controls reserves the right to refuse repair of any unit outside the warranty period that is deemed nonrepairable.

Read these documents carefully and do not agree to terms and conditions of entry for this competition unless you are completely satisfied that you understand the contents and agree to be bound by them. Entry is open for all competitors who hold Junior National Licence with the exception of the Under 19's Class a Senior National Licence is required. To be eligible to participate in the 50cc Demo NonCompetitive riders must hold a Recreational Licence, no rider that holds a competition licence can participate in this class. Grades may be combined according to entries received. The minimum number of entries to constitute a class is 5 riders. Classes may be altered to suit entries received Riders will be notified in due course. Side plates must be the same colour as front plates. Riders must display a back number in contrasting colours at all times refer GCR's. Receipts will be emailed to you from Register Now.

No notification is required to the Clerk of Course in the above case, but if a rider wishes to use another competitors bike in place of his own then formal notification to the Clerk of Course at least 10 min prior to the race in which the substitution is to be made. Due to space restrictions some sponsors may not be listed. 5. TRANSPONDERS It is compulsory to have purchased and fitted a transponder bracket prior to this meeting. You must supply your own cable ties. This includes whilst in transit with Australia Post and by Courier. No excuse will be entertained for nondelivery. It is recommended transponders be hand delivered. It is a condition of entry that First Aid MUST be accepted wherever deemed necessary by the attending first aides. The Clerk of Course has the right to refuse further racing of a rider if first aid requirements are not adhered to. The Steward will collect information from the injury reports and relay this to the MWA office where it will be recorded that you require a certificate before you can compete in any further events. This information will be mailed out to all clubs and event promoters. Signed in riders will be given a wrist band once licence

and log book checked. Machine Identification numbers on bike and rider as per GCR's. Helmet must be on rider's head by the time they reach the machine examiner. Competitors must place a Motorcycling WA supplied logo on the front number plate of their machine. As per the GCR 11.13.2 Helmet Cameras and 11.13.2.1 Cameras may be fitted to the motorcycle provided they are securely mounted. Helmet cameras are not permitted are not allowed unless the camera is integrated into the helmet, by design of the manufacturer. Camera mounts on helmets are not allowed. The steward will be responsible for the decision to measure machines on the day. Any machine may be measured at the request of the steward or under protest.

It is a condition of entry that all cost will be borne by the entrant for machines measured under the instruction of the Steward. Minimum two 2 laps, time permitting with the exception of the WAMX Girls Championship Classes where three 3 laps will apply. Clutch start. 15 second board displayed to all riders for full 15 seconds. Riders to be in start gates for the next race as soon as practical. Dead motors in the starting area. Only authorised officials will be permitted on the starting line and only 1 assistant over 16 years of age per rider is permitted on the start line. The chequered flag will be displayed to signal the race is finished. Should the complaint not be resolved to the satisfaction of the competitor, the competitor may then make a formal protest to the Steward by submitting a protest form to the Clerk of Course. Refer GCR's. Under 19's 5 laps 3 rounds If there are less than 5, then the classes may be combined with the approval of the Steward. When 2 classes are combined due to low number of entries prizes are awarded at the discretion of the promoter. There will be no A, B or C grade for U19's and Quads. 50cc demo competitors ALL receive a participation award, all to be identical. The stewards of the meeting will withdraw any rider from the event if the parent or guardian or nominated person refuses to carry out such duties without showing just cause. If you do not sign on, your rider will be excluded from practice and competition unless just cause can be proven to the Clerk of Course. There will be two flag shifts, am and pm. Flag changeover will be listed in program. All Flag Marshals must meet at the designated meeting place to be accounted for before proceeding to their marshalling positions. In the case where a marshalling duty is being shared by more than one person. All marshal's must sign on and ensure that they are wearing a reflective safety vest before proceeding out onto the track. Engine may be running to assist.
