In the event that the firmware update process fails or is interrupted for any reason, try to restart the printer and reattempt the firmware update process. If the firmware update process cannot be reinitiated or fails, please call Lexmark technical support for assistance. Lexmark is not liable for any errors or omissions. We have 9 Lexmark C544dn manuals available for free PDF download Service Manual, User Manual, Product Study Manual, Setup Manual, Specifications, Quick Reference What Settings Should I Use for the Best Color Is There Anything I Can Do to Improve the Color. Ask your question here. Provide a clear and comprehensive description of the issue and your question. The more detail you provide for your issue and question, the easier it will be for other Lexmark C544dn owners to properly answer your question. Ask a question About the Lexmark C544dn This manual comes under the category Printers and has been rated by 2 people with an average of a 7.7. This manual is available in the following languages English, Dutch. Do you have a question about the Lexmark C544dn or do you need help.

Ask your question here Lexmark C544dn specifications Brand Turn the printer off, and make sure that the printhead is not hanging over the paper and that no paper remains in the printer. In that case you will receive a message that the cartridge is empty. The manual of the purchased cartridge usually contains the solution, if this does not work, it is advisable to contact the seller. Check if the cartridges or toners are full. If so, inkjet printers often require cleaning the printer, the cartridges have dried out, or the print head is broken. With laser printers, calibrating the laser printer is recommended. ManualSearcher.com ensures that you will find the manual you are looking for in no time. Our database contains more than 1 million PDF manuals from more than 10,000 brands. Every day we add the latest manuals so that you will always find the product you are looking for. Its very simple just type the brand name and the type of product in the search bar and you can instantly view the manual of your choice online for free. ManualSearcher. com If you continue to use this site we will assume that you are happy with it. Read more Ok. With their small, attractive new design and quiet noise level, Lexmarks new laser will be a welcome addition to your desktop or small workgroup. Add professional to your documents. In order to navigate out of this carousel please use your heading shortcut key to navigate to the next or previous heading. Full content visible, double tap to read brief content. Please try your search again later.Lexmark Return Program cartridges are sold at a discount, versus the prices of regular cartridges, in exchange for the customers agreement to use the cartridge only once and Return it

only to Lexmark for remanufacturing or recycling.To calculate the overall star rating and percentage breakdown by star, we don’t use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzes reviews to verify trustworthiness. Please try again later. Chris P. 1.0 out of 5 stars Ordered this one in June to have on hand. Open it now to find out it is a defective counterfeit. I suspect that these are counterfeit but dont expect them to be defective. The cartridges have different keys on them to make sure that you dont insert the cartridge into the wrong slot. Even though the description, box and product label all say yellow. It will not fit into the Yellow slot. Now I am wellbeyond the return window and stuck with a paperweight. Buyer beware.I have had this printer for a little over a year. From my experience, the black toner cartridge often needs to be replaced sooner than the others. At this price point, it makes sense to purchase the extra high yield cartridge. Replacement was a snap. It is good that Lexmark includes a return shipping label, to return the old empty cartridge. It can be used again, and it results in one less thing in the landfill.I cant use my printer now because this cartridge wont work. I thought I was buying the brand name, but apparently its not. I tried turning my printer off and on, reinserting the cartridge, but nothing works. Thats a lot of money down the drain for something that wont work with my printer.

I just installed the product and it did not fit into my printer. Do not waste your time buying from this vendor.Another review said the cartridge has a counter in it; limiting the print. Way too expenses to buy so often.Will never purchase another Lexmark product ever!I use it for printing needlework designs I am a designer and sell my products worldwide. In conjunction with my printer, I get a great quality color print that is waterproof. The price is high but I get a lot of copies out of a cartridge.I use it for printing needlework designs I am a designer and sell my products worldwide. In conjunction with my printer, I get a great quality color print that is waterproof. The price is high but I get a lot of copies out of a cartridge.On the Lexmark website its not clear if it will work with the C540n even though its the same size. Rechecking with Lexmark Extra High Yield Toner Cartridges are not compatible with the Lexmark C540. This model is compatible only upto the High Yield Toner Cartridges. The PN of the Cyan High Yield Toner cartridge for the Lexmark C540 is C540H1CG. This company do not refund return postage or provide a label. Also can charge There is no problem in returning this item, however if it has been open a 20% restock fee would be applicable. All fees are deducted from the credit upon return of your item.Sorry, we failed to record your vote. Please try again Sorry, we failed to record your vote. Please try again No problems.Sorry, we failed to record your vote. Please try again Musste viel drucken und Tintenstrahler nicht rentabel genug. Nun, mittlerweile muss ich zum Gluck viel weniger drucken, denn ansonsten ware der Tintenstrahler bestimmt rentabler. Nach knapp 7000 ! Seiten mehrheitlich online Zeitungsartikel und Rechnungen habe ich ganze 3 drei Tonersatze quer durch die Farbenlandschaft verbraucht. Dabei soll die grosse Schwarze allein fur 6k reichen.Die Farbigen fur 4k. Fur mich grenzt das schon an Betrug.

Falls Ihr wie ich auf die Originale baut, seis drum.Sorry, we failed to record your vote. Please try again Rein damit und lauft. Sie sind vernunftig verpackt, zudem gibt es Rucksendeaufkleber, um die alten Kartuschen kostenfrei ins Recycling zu geben.Sorry, we failed to record your vote. Please try again Geliefert wurde schnell und der Ablauf war auch okey. Eben eine rundum 5 Sterne Bewertung.Sorry, we failed to record your vote. Please try again Wie bei allen Tonerpatronen, frag mich echt wann es fur diese Preispolitik mal ein Ende gibt!Sorry, we failed to record your vote. Please try again Aller in allem o.k.Sorry, we failed to record your vote. Please try again Und das ohne Probleme, genau so, wie es sein soll.Sorry, we failed to record your vote. Please try again Les produits de Lexmark sont beaucoup trop cher. Je lai pris chez 1stopiink et la le prix est devenu acceptable.Sorry, we failed to record your vote. Please try again. By parts code you can check what other devices it is used. You can print your Parts List or export to Excel to further work with it. We only help you to create your parts list for request from your suppliers. Add your headers and comments. Use saved Parts Lists as templates to create new lists. Change the contents of the old list

and save it as new. You can add, delete list items, change headers, comments and quantity of spare parts. Our printer experts are here to help! Would not do business with any one else So far the Lexmark has proven very reliable and economical on toner and spares. The print quality is very good, its fast enough for my needs and the Rewards scheme for toner return is really useful. It is a little noisy when working, but not obtrusive. I only have two gripes really. The toner is very expensive compared to other brands and compatibles are not available. That said, the extra high yield cartridges are the best value and especially when Printerland have a sale on.

The other beef is the output tray gets bunched up after 20 pages and this is annoying when printing a long document, particularly when in duplex. All in all 4 stars! Regards. Josie In the event of an item not being available via this service, we will Areas such as the Scottish Highlands or where a body of water is crossed are subject to However, our mission is to achieve this where possible. Areas such as the Scottish Highlands or where a body of water is crossed are subject to a 23 working day delivery time. However, our mission is to achieve this where possible. Goods without fail, turn up the next day, which is exactly what is required and ordering process could not be simpler. Recommend this company very highly. Craig Fast and Professional Service Ive bought a number of printers from Printerland and in every case, the delivery has been next day as promised, with follow up to make sure that everything has gone to plan. Wendy Gorton Excellent prices and service Excellent, prices and customer service. Nothing is too much trouble at Printerland. Best place for printers and will beat any price.

Amy Reliable, Quick and Helpful. Prices are unbeatable, very helpful and polite customer service and delivery is super quick. Would definitely recommend. Yield will vary greatly depending on image, area coverage, print mode and environmental conditions. Please contact us for options. Precision Roller is in no way affiliated, sponsored or endorsed by these copyright owners or their affiliates or dealers This website uses a secure server to encrypt all sensitive information. Our printer experts are here to help! Images are used for illustration purposes only We deliver anywhere in South Africa!Each member of our sales taskforce has a true understanding of what any business requires from its print solutions regardless of the size of the organisation. Highquality output overall, particularly for graphics and photos. In short, its a step down from the C534dn, not a step up. But the good news is that, like the C534dn, its impressive enough to earn an Editors Choice. The standard 250sheet drawer, onepage manual feed, and duplexer for printing on both sides of a page should be enough for most small offices. SEE ALSO The Best VPN Services For 2020 The printer is relatively small for a color laser, at 11.5 by 16.7 by 15.7 inches HWD, and relatively light, at 46.2 pounds, so its easier to move into place than most of its competition. On the other hand, theres more work than usual involved in removing the packing materials. You have to remove a side panel, remove the toner cartridges, and then put everything back together. None of this is hard, but it involves more steps than most printers require. As with most printers, the process is largely automated, but youre asked some preliminary questions, including whether you want to connect wirelessly. Given that the C544dn doesnt support WiFi, the question can only serve to confuse people.

That presumably makes life easier for Lexmark, but offering installation options that arent

appropriate for the printer youre installing is simply asking for trouble. Fortunately, the worst I can say for either the physical setup or network installation issues is that they are fleeting, onetime annoyances. Neither counts as a serious flaw. In addition, you can download drivers from Lexmarks Web site for Windows 95, 98, ME, and NT; Mac OS 9.2 and above; and several flavors of Unix. I timed it on our business applications suite using QualityLogics hardware and software, www.qualitylogic.com at 10 minutes 16 seconds, essentially a tie with the directly competitive Xerox Phaser 6180N, our previous Editors Choice, which completed the suite in 1022. The two printers even delivered similar times for each test in the suite. It averaged 21 seconds for each 4by6 and 36 seconds for each 8by10, compared with 102 and 233 for the 6180N. Graphics and photo quality are both better than most color lasers can manage, but not quite up to the best available. Text quality is slightly subpar for a laser, but still good enough for almost any purpose. Most of the fonts that qualified as easily readable at 5 points also qualified as well formed, but one of them needed 6 points to pass the wellformed threshold because of character spacing issues. Unless you have a highly unusual need for perfectly formed characters at small sizes, you should be more than satisfied with the C544dns text quality. I also saw some slight dithering in the form of mild patterns in some colors, and posterization, with shading changing suddenly where it should change gradually, but nothing Id call seriously objectionable. Most people would consider the quality good enough for anything up to and including marketing materials like onepage handouts and mailers. Some colors—particularly reds—in some photos were a little outside of a realistic range, but most photos were nearly true photo quality.
